

One hour with
JESUS

TO PRAY FOR NATIONS

***"...Could ye not watch
with me one hour?" Matthew 26:40.***

From your Brother...

Dearly Beloved, My greetings to you in the sweet name of Jesus!

I praise and thank God for you all who have dedicated yourselves to pray for the revival and blessings of the Nation!

The revival encompassing the whole world, that is waiting to happen in the final days of life on earth will have its beginning in India. We shall experience this very soon. Prior to that the Lord is cleansing the Nation and the churches.

The duration of the Lord's retribution will be curtailed only because of the people who pray. Not only that; Satan is well aware of the glorious revival plans that God has in store for India.

The time allowed for Satan is getting over. Being aware that he only has a limited time period, Satan has let loose the underworld demons to activate those kinds of sins that arouse the wrath of the Lord on the Nation.

Sins have increased manifold like never before in the Nation. This **can come to an end only through our prayers.** Therefore, every day, seek the presence of the Lord early in the morning at least for one hour. Pray for the Nation.

Use this Handbook to guide you through prayer. It may not be possible to pray for all the points in a single day; **pray** as guided by the Spirit. When you intently focus on one prayer point, God joins you and prays with you through wordless groans. Your prayer time will be a glorious one.

As and when you find time, use this Handbook and pray. Look for answer to your prayers in newspapers and Television news. Definitely, there will be an answer.

When we, the people of God pray individually or as family or as church, we can notice that the evils start receding and goodness starts emerging. **Don't give in to fatigue after an initial period of fervent prayers.** As the believers of the early church, remain steadfast in prayer. We shall see the revival!

We are praying for you! Kindly pray for me and for the Jesus Redeems ministry.

May the grace of the Lord be with you!

Your Brother,

Mohan C L.

Praise and thank the Lord!

1. Our Lord is the only Sovereign, the King of kings and Lord of lords; the only one who has immortality, dwelling in the light which no man can approach unto; whom no man has seen, nor can see! Attribute to Him all honour and power everlasting and **praise and thank Him.**
2. Lord Jesus Christ loves India; His precious blood was shed for each Indian. It is His intention that all the people should be saved. **Praise and thank Him for this!**
3. The name of our country India is written in the Bible. 2000 years ago, our Lord Jesus Christ sent His apostle Thomas to India and established many churches in our country, thus initiating Revival in our nation. **Praise the Lord for this!**
4. Lord Jesus loves India so much that He has sent innumerable missionaries to our country, to fall into the ground as grains of wheat and die, and through them has given us the knowledge of Jesus, the Saviour. For all these **let us praise the Lord!**
5. **Let us praise the Lord** for all denominations of churches founded by Him and for the five types of servants of the Lord: the Apostles, Prophets, Evangelists, Pastors and Church presbyters.
6. It is God's plan that the glorious Revival of the final days shall arise from India and spread all around the globe. The time is ripe now and the groundwork for this great task has already begun. Let us **praise the Lord for this!**

7. God has blessed our country with the richness of fertility of land, water and minerals. **Praise the Lord for this!**
8. God has blessed India as the biggest democracy, with freedom to worship the true God, with conduciveness to spread the Gospel. **Praise the Lord!**
9. Though Satan, the enemy, is playing many tricks to destroy the peace and the blessings of India, the Lord has been revealing to us Satan's plans and his wicked activities, urging us to pray and thus has helped us to gain victory over evil. **Praise the Lord!**
10. God has blessed India to be ranked as the fourth superpower in the world and has been protecting our nation from neighbouring countries and terrorist cliques. For this, **let us praise the Lord!**

*Pray for the Revival
of the Nation!*

1. **Pray** for the fulfilment of the promise: “Through the churches in Tamil Nadu the fire of revival will be ignited and spread all over South India and throughout the world!”
2. It is God's plan that “prior to kindling of the fire of Revival in the Nation, churches shall be cleansed.” **Pray** for the complete elimination of imperfections, ritualistic practices, indifference, covetousness, power mongering, selfishness, rivalry and jealousy from churches.

3. **Pray** for the spirit of prayer to be poured like fire on the churches. Servants of God, elders of the church, the youth and the children should be filled with the spirit of prayer. They should be steadfast in their prayer like the believers of the early church.
4. As written in **Luke 12:49**, the Holy Spirit should descend on all churches and everybody should be filled with the Holy Spirit and pray with tongues. **Pray** for this change!
5. As written in **Isaiah 52:10 and Acts 2:47**, the entire India should experience the salvation of our God; in all Indian cities and villages hordes of people shall be saved and added to the church daily. **Pray** for this revival.
6. As written in **Malachi 3: 1-3**, In India there should be refinement and purification in the churches, in politics, in the thoughts of people and this purification shall create divine joy and flawless hearts in them. **Pray** for this purification!
7. As written in **Acts 13:47-49**, in India there shall be a revival of interest in the scriptures; and the servants of God and the people of God shall search the scriptures daily (**Acts: 17:11**) meditate on His words and pray. And shall speak and preach the Word of God with boldness. (**Acts 4:31; 8:4**) **Pray** for this to happen!
8. As recorded in **Acts 2:43, 5:12**, there shall be a revival of power in India too; servants of God and believers shall rise and prove the might of God by wonders and signs wrought among the people. The Lord shall glorify His name by performing extraordinary acts through ordinary people. **Pray** for such mighty works of God!
9. **Pray** for the revival of prophecy (those who can see visions and who can hear His voice). For the spirit of prophecy to be showered upon young men and women, upon servants of God and upon elders of the church and all shall turn into preachers of the Gospel of the kingdom. (**Mathew 24:14**)
10. **Pray** for revival in all the churches of the nation, for the establishment and expansion of churches even in areas without a church. **Pray** for the churches!

Wrestling in prayer

- I. Bind through prayer all the satanic spirits that have been let loose in order to obstruct Revival.
 - (i) There are evil spirits which do not allow servants of God to serve the Lord but encourage them to serve themselves and their organisations. They induce them to build kingdoms for themselves instead of building the Kingdom of the Lord. **Bind these spirits in prayer. Pray** that all servants of God should fulfil the will of God.
 - (ii) **Pray** for the servants of God who have fallen prey to false prophecy, false preaching, false worship and false miracles but put on the mien of true revival warriors. **Pray** for these false preachers to repent and to be relieved from the bondage of evil.
 - (iii) **Pray** for the binding of the spirit of the serpent that leads the church towards lethargy and indifference. There are spirits that do not allow the children of God to pray, to preach the Gospel and to rise and shine for the Lord but fill them with worldly thoughts. **Pray** for these spirits to be bound.
 - (iv) The devil has been plotting against churches through the introduction of laws to destroy the buildings and confiscate the properties accrued by our forefathers and missionaries. **Pray** for the deactivation of such evil plotting.

2. **Pray and bind** the spirits that instigate sinful acts that provoke the wrath of God on nations.

(i) There are spirits that do not allow people to worship the creator of heaven and earth and oceans but sow the seeds of wrong beliefs in the name of 'devotion' or 'bakhti' by blinding people of their spiritual eyes. **Pray for the binding** of the spirits which make such attempts.

(ii) **Pray** for the crushing of the spirit of deception which works through humans who project themselves as Gods and deceive people. **Pray** that such wicked men should be stripped of their disguise and revealed in their true colours. **Pray** that their dwellings and their riches should be divulged. **Pray**, binding such spirits.

(iii) **Pray** for the destruction of the spirits of black magic and witchcraft. **Pray** that the blood thirsty spirits that demand human sacrifices to fortify themselves should be completely crushed along with their altars and sanctums.

(iv) The black magic and witchcraft that torment people shall never thrive. **Pray** that such evil spirits that work from dense forests, caves and mountainous regions should be totally burnt down.

(v) **Pray** for the binding of the spirits that trigger adultery, prostitution and lustfulness. **Pray** that the evil spirits that instigate some people to satisfy their lust by their maniacal behaviour with their own children or own brothers and sisters, and also encourage homosexuality, a sin that is detested by God, should be bound.

(vi) There are spirits that instigate drunkenness and drug addiction and impel people towards weird behaviour through internet pornography and video games. **Pray** for the binding of such spirits.

3. There are spirits that control centres of power and abet communal and religious violence. They keep under their control wicked

people like a few religious fanatics, politicians, terrorists, people from film industry and industrialists who provoke violence among people. **Pray**, binding these spirits.

4. **Pray** for binding the spirits that induce accidents, suicide, abortion, female infanticide, murder etc. to satisfy their blood thirst and to strengthen their own evil.
5. **Pray** for the shattering of the legions of evil forces and 'spiritual wickedness in high places.' Pray for binding the strength of Satan in India. They confuse people by blinding their spiritual eye and make them inactive. **Pray** for spiritual revival among all people.

Prayer of supplication

1. **Let us pray** to God pleading for His mercy. Pray to God to forgive our sins and the sins of our nation (Nehemiah 1 : 6,7. Daniel 9: 4 – 19)
2. As written in I Timothy 2:4, Let us offer supplicatory prayer for the 138 crores Indians to be saved and to come unto the knowledge of the truth. **Pray** that the Lord should reveal Himself to the people of India, who are generally pious.
3. Children have a significant role in the final revival and so Satan has turned his attention towards children. At the tender age itself they have been surrounded by sins. Nowhere in the nation there is safety for children. **Entreat the Lord** to offer them protection and salvation, that they may grow up (like Samuel) with the gift of prophecy.

4. As a preparation for the upcoming revival a new generation of youth is getting ready to be warriors of the Lord. Being aware of this, Satan is attempting to lead them towards hell fire, by inducing them to fall into sinfulness, lust, uncontrollable toughness and worldly attractions. **Pray** that the Lord shall redeem them from the clutches of Satan, offer them salvation and raise them to be a mighty army of the Lord.
5. A group of religious fanatics is rising against the Gospel, planning the demolition of churches, confiscation of church property, ruthlessly attacking servants of God. **Pray** that the Lord should confront these wicked men and change them as He did with Saul who became Paul.
6. The Lord who saved Cornelius and his family (Acts 10), the Lord who saved the keeper of the prison and His family (Acts 16) shall save the bureaucrats and politicians of our nation and turn them into witnesses for the Lord. **Let us pray** for this change!
7. In the days of the Apostles, exorcists and magicians and the judges of the Mars Hill received salvation. (Acts 19:18, 19) In a similar way, pray that the ones engaged in supernatural practices should be saved and they should come out and openly acknowledge their spiritual transformation.
8. In the same way that Lydia, the seller of Tyrian purple, opened her heart to His words and received salvation, the elite industrialists, scientists, athletes and film personalities should be saved, become prayerful and support God's ministry. Let us **plead and pray** for this change.
9. **Entreat the Lord in prayer** for the salvation of the people of your own state, neighbourhood, your colleagues and acquaintances.
10. Plead and **pray** for your own family members and relatives who have not received salvation and the members of your church congregation who are not sure about their salvation.

Pray for protection

1. Pray for the protection of families!

Only if there is harmony in families there will be harmony in society. The enemy in the final days is plotting vigorously to disrupt family relationships. Pray that illicit relationships, divorces, split between parents and children should be totally eliminated from families and pray for perfect peace in families.

2. Pray for the protection of children!

6. **Pray for those who are in marine occupation!**

Pray for the protection of the livelihood of marine workers. Their life and their possessions should be guarded, and their yield should match their toil. The cunning schemes plotted by business tycoons against them should be toppled.

7. Pray for the protection of farmers!

Agriculture is the backbone of India, but farmers are the worst affected. Pray that the agricultural lands should be conserved, and farming should be blessed. Farmers should never be pushed into such a sad state of committing suicide. Agricultural produce should be safe guarded. **Pray** for this!

8. Pray for the small vendors!

Because of the domination of big corporates, small traders, platform vendors etc. should not lose their livelihood. Their trades and families should be protected. Estate workers and gardeners should be able to retain their jobs. **Pray** for all of them!

9. Pray for the economy of the nation!

Recently India has been facing a decline in economic growth. This should change and Indian economy should show an upward trend. **Pray** that the Lord should bestow His wisdom on the judiciary, ministry, bureaucracy and the Reserve Bank officials, and our Indian economy should reach a higher position in the global platform.

10. Pray for the protection of the Departments of Health and Education!

The young and the old should not be affected by the wrong medical treatment given to them. The standard of the educational system of our nation should not decline due to the introduction of wrong policies and unscientific cultural practices. **Pray** for the blessing of these two departments!

Bless and pray!

1. Our nation should be considered commendable in all fields in the international platform. The fundamental needs of the people, like clothes, shelter, food, clean water, transport, power, waste management, housing etc. should be fulfilled. **Pray** blessing the nation to be self-sufficient!

2. Bless and **pray** for those who rule the nation: the President, the Prime Minister, Union ministers, Governors, Chief Ministers and Cabinet Ministers should be blessed and protected. Through them the welfare schemes for the nation should be well executed. **Pray** for the presence of the Lord in the Parliament and Legislative Assembly of states.

4. Pray for the judiciary that regulates law and order in the nation. Pray for the Supreme Court, High Court, District Courts and all judges and

advocates who establish justice in the nation. **Pray** for the Lord's supremacy over them!

5. **Pray** for all IAS and IPS cadre officials, police officers and constables, Anti-Corruption Bureau officials to be protected and to be truthful in their dealings.

6. **Pray** for the Election Commission of India, Election officers, and officials of the Central Bureau of Investigation. Pray that they should be filled with wisdom from the Lord and act courageously.

7. **Pray** that our nation should be free from bribery and corruption, a nation marked by justice and honesty, a nation where politicians don't buy votes for money, a nation which doesn't waste the tax payer's money in useless schemes, a nation which is governed by selfless leaders and officials.

8. Bless and **pray** that India should not have liquor shops, be free of drug addiction, free of crimes, free of diseases and with proper health and hygiene.

9. **Pray** for increase in job opportunities, that the youth should find jobs suitable to their qualification, for increase in individual income, and that people should live in peace without poverty and burden of debts.
